

HOOKED ON FISHING, NOT ON DRUGS (H.O.F.N.O.D) – Doug Brown & John Castrati
Harvey Cedars, Long Beach Island

Our 8th Annual “H.O.F.N.O.D” kids’ tournament was held on **Saturday, August 11th**. A **HUGE** thank you to all the members, including their wives, children and friends, who helped make this event another success. Once again we received numerous compliments from many sources on how well the tournament was run. You should all be extremely proud. We would also like to thank the A.S.A.C. organization for their outstanding support and assistance again this year.

We had 230 children register and they caught a total of 103 fish. Mostly spot but there were enough weakfish, kingfish and bluefish to make it a tournament.

We THANK everyone who pitched in before, during, and after the tournament - without your help this event would not be possible!
